Foreword:

China Plastics Expo (Shortened as CPE) has been held successfully for 15 years since 1999 and has become one of the most famous and influential exhibitions in Chinese plastic industry. Since last year, China Plastics Expo was listed as The Guiding and Supporting Exposition by the Ministry of Commerce of the PRC and was titled as "China (Yuyao) International Plastics Expo". As the annual grand event in plastic industry, China Plastics Expo gathers

a great number of famous enterprises of plastic raw materials, machineries, moulds and products which demonstrates new materials, equipments and technologies; and CPE is the only exhibition that was supported by both the most authoritative industrial association and the most powerful production and distribution company of petrochemical industry as organizers.

The exhibition hall of China Plastics Expo covers 46,000 square meters, and 35% of the exhibitors are overseas enterprises, including BASF, BAYER, EVONIK, ARBURG and COPERION from Germany; MITSUBISHI, TOSHIBA, SUMITOMO, POLYPLASTICS and MITSUI from Japan; SAMSUNG, SK and KEP from Korea; FORMOSA CHEMICALS, CHI MEI, TSRC, VICTOR TAICHUNG, FOMTEC and SHINI from Taiwan; VCN, CHEN SHONG and L.
